

REXEL shredders win top awards

Rexel has won three top awards in the latest What to Buy For Business shredder report in the UK. This in-depth report is one of a series published each year by the magazine, which provides independent reviews of a wide range of business equipment.

Rexel has won a 'Best Buy' award for its great value home shredder, the Alpha Home Confetti Shredder. It also won a 'Best Buy' award for the Mercury RSS1627, a new, small office shredder featuring Rexel's unique anti-jam technology. Considered 'Worth a Look' was the Rexel Duo, a stylish steel waste bin with integrated shredder, ideal for casual meeting areas.
