

How to choose a shredder

Step

1

Select Cut Type
How much security do you need?

Strip Cut
Security level: P2

Cuts 1 A4 sheet into 36 pieces

Cross Cut
Security level: P3-P4

Cuts 1 A4 sheet into 300 - 400 pieces

Micro Cut
Security level: P5-P6

Cuts 1 A4 sheet into 2000 - 6000 pieces

Step

2

Select Feed Type

Autofeed

Manual Feed

Step

3

Number of Users

Personal/ Home Office
Up to 2 users

Office
Up to 20 users

Large Office
20+ users

Step

4

Sheet Capacity

Max Sheets Automatically

Max Sheets Manually

A higher sheet capacity means less time spent shredding

Step

5

Bin Size

A larger bin allows more shredding before emptying the bin
