

Leitz Precision Home Paper Trimmer A4

The Leitz Precision Home A4 Paper Trimmer is perfect for home, craft or hobby use to create cards, gifts, invitations, photo collages and more. This lightweight and compact paper trimmer will effortlessly trim up to 8 sheets of A4 paper (80gsm) with speed and precision and can be easily stored away when not in use. The clear-cut window and transparent trimming guide rail allow you to view the blade trimming line for complete accuracy every time, while the easy-grip trimmer head ensures comfortable use. It is quick and easy to insert the paper with the flip-up paper clamp and the clear measuring guidelines allow for accurate alignment. With sharp, hardened steel blades, a sturdy work surface and a 2 year guarantee, you have peace of mind with this great quality paper trimmer.
